LEARNER GRIEVANCE REDRESSAL POLICY

Support & Escalation Matrix

Flow Chart - How support & escalation works

JAIN Online provides learner support through multiple channels. Every query is routed to a dedicated Category SPOC (Single Point of Contact) for resolution. If you are not satisfied at any stage, you may escalate to the next level by following the process outlined below.

Support Categories & Channels

We urge learners to use the appropriate channel based on the nature of the query for faster resolution.

📞 **Call for these categories** *(Urgent / Time-Sensitive)*

- **Exams** [Exam access, Urgent exam-related issues]
- **Fee Related** [Payment error, Fee receipts, Urgent financial queries]
- **LMS Access Issues** [Cannot login to the platform or access courses]
- **Enrollment** [Urgent enrollment queries at start of program]

🎟 **Raise a ticket for these categories** *(Non-Urgent / Requires Documentation)*

- **Career Guidance**
- **Content Issues** (Missing study materials)
- **Certificates** (Bonafide certificate and Admission letter)
- **Convocation** (Certificate collection, Download, Postage queries)
- **Data and Documents** (Document submission related queries)
- **Delivery** (Study materials, e-SLM not visible, weekly live session link issue, CA related]
- **Refund** (Refund requests and processing)
- **Profile Edit** (Account updates, Profile updates such as changes to email ID or contact number)
- **Micro credentials** (Queries about MC courses)
- **Referral** (Referral points queries)
- **General Queries**
